

Facilities Use Policy

Milton Keynes Christian Centre exists to bring people to Jesus and equip them to be fully devoted followers of Christ. Our Oldbrook site has been strategically developed over the years to enable us to fulfil this mission and deliver our charitable services to the people of Milton Keynes. When not in use by MKCC, our church facilities are available for commercial hire by other organisations or individuals.

It is the policy of MKCC that, other than concessions for our wedding or funeral services (details of which are available for download from our website), we are unable to offer our church partners use of our facilities for hire at subsidised rates or zero cost. We introduced this policy to help us steward our resources in the most efficient way possible and better support our expanding ministries.

Whilst our conferencing team operate with a degree of commercial flexibility they are restricted in what discounts they can offer on account of our building operating costs, labour costs, logistical constraints, and other factors such as H&S, building security and insurance requirements. Logistical constraints also have a significant impact on the types of events or functions we can host at weekends or at other key points in the week.

The following venues are available for hire when not in use by MKCC:

- Main Auditorium
- Church Foyer
- Discovery Suite's 1 and 2
- Ridley Suite
- Meeting room
- 'Comms' room

A member of our conferencing team will be only too happy to answer any questions you have, provide information on costs and process your enquiry. Our team can be contacted on 01908 553063 or via email conferencing@mkcc.org.uk.
